

# DIRECTIONS TO GLOBAL LASER

Situated in modern, premises in Abertillery, South Wales, U.K., Global Laser Technology are ideally placed to serve our customers both in the U.K and overseas. Links to major road networks are close by and the factory is about 30 miles from Cardiff International Airport. Additionally, there is easy access to Bristol and Heathrow Airports.

## Directions from London

Leave the M4 at exit 28; take the A467 towards Brynmawr. At the signpost for Abertillery, turn off the A467 onto its town roads. Then after only 100yds, turn left with the Pendragon (left) and the Fire Station (right). At the top of the hill turn right and then left. Continue up this road, You will see a stone sign with Cwmtillery written on it pass this and carry straight on. Pass Tillery Valley Foods and turn right then first left. Global Laser Technology is the large factory in straight view.

## Directions from the North

Leave the M5 at junction 8 for the M50. At Ross-on-Wye take the A40 to Monmouth and Abergavenny. At Abergavenny take the A465 to Brynmawr, and the A467 sign-posted to Abertillery. At the signpost for Abertillery, turn off the A467 onto its town roads. Then after only 100yds, turn left with the Pendragon (left) and the Fire Station (right). At the top of the hill turn right and then left. Continue up this road, You will see a stone sign with Cwmtillery written on it pass this and carry straight on. Pass Tillery Valley Foods and turn right then first left. Global Laser Technology is the large factory in straight view.
